

SUSTAINABILITY ACCOUNTING STANDARDS BOARD (SASB) CONTENT INDEX

The Booz Allen Hamilton 2022 Environmental, Social, Governance (ESG) Report (“[2022 ESG Report](#)”) has been prepared in accordance with the Sustainability Accounting Standards Board (SASB) Index: Professional & Commercial Services subset. SASB standards are designed to identify a set of sustainability issues most likely to impact the operating performance or financial condition of the typical company in an industry, regardless of location. Topics that may be deemed material under the SASB Standards are not necessarily material for purposes of the U.S. federal securities laws or for other purposes. For additional information on the SASB Standards, please visit the [SASB Standards website](#).

SV-PS-230a.2	Description of policies and practices relating to collection, usage, and retention of customer information	<p>2022 ESG Report; Drive Community Resilience, Cybersecurity and Data Privacy (Pages 39-40)</p> <p>Our standard information security and data security policies, practices, and procedures apply to all Booz Allen entities, including wholly owned subsidiaries, as well as all cleared Booz Allen facilities and their employees. To enhance both specificity and flexibility, we supplement those standard procedures with additional protocols specific to the needs of a location, client, or engagement. We also evaluate the security policies and practices of our suppliers and business partners.</p> <p>Our data privacy policy outlines our commitment to the protection of personal information and sets forth retention and deletion requirements. We also recognize, respect, and seek to achieve compliance with applicable laws of foreign nations.</p> <p>Booz Allen people are bound by confidentiality obligations and policy requirements that apply when they collect, receive, use, process, store, destroy, or disclose information, and we have a robust investigation and disciplinary process in place to respond to noncompliance. But the nature of our work and our corporate values require more than just compliance. It is up to every Booz Allen employee to create connections, establish relationships, and build trust within teams. We support our employees with an ecosystem of services, programs, training, and tools designed to prevent, bring to light, and mitigate potential risk situations.</p> <p>See also: Compliance with International Trade Regulations Policy Data Privacy Policy Code of Business Ethics & Conduct (Page 16)</p>

The survey results provide insights into how employees experience Booz Allen and our culture, helping our leaders better understand areas of opportunity and areas for greater attention. In fiscal year 2022, we saw the impact of our COVID-19 response efforts on the well-being of our employees and clients, and we continued to focus our attention on keeping each other, our families, and our clients safe; supporting our clients' vital missions; and protecting our business. We engaged with employees to understand how we could best help them, including maintaining a robust benefits program, financial and job security, enhanced caregiver support, and telework resources. In our FY22 Employee Experience Survey, 85% of Booz Allen people said the firm helps them build relevant skills, and 83% of Booz Allen people said the firm supports their professional development.</p> <p>We do not disclose employee engagement as a percentage; however, the references provided provide discussions of our practices to support employee engagement.</p>
